***** This incident was captured on BWC *****

On February 23, 2023 at approximately 1214 hours, Officers responded to [REDACTED] Rockville, Montgomery County, Maryland 20850 for the report of a burglary that just occurred. Upon arrival, Corporal Rogers spoke with the victim, Harrison FLOYD, who stated two (2) men wearing suits aggressively approached him, followed him into his apartment building, and threw papers at his door.

FLOYD explained that earlier today he had taken his daughter (2years, 10months old) to swim lessons at the Goldfish Swim School located across the parking lot from his residence. FLOYD stated while he was there he received several calls from the call box at his residence (1126 hours, 1128 hours, 1130 hours, and 1135 hours). FLOYD stated he answered each time and the caller stated that he wanted to speak to FLOYD. FLOYD stated each time he told the caller he did not wish to speak to anyone.

FLOYD stated he was the Senior Campaign Aid for the 2020 Presidential Election. FLOYD stated ever since 2021, he has been contacted by countless new media outlets and various other people. FLOYD was not able to provide much detail about why these people were contacting him. FLOYD said he thought the calls were reporters at first.

FLOYD walked home with his daughter in his arms shortly after 1200hours. FLOYD stated as he turned the corner to walk around his building to the front door, two (2) males appeared. FLOYD stated they began yelling at him and all he could hear them say was, "You are being commanded..." and "You are being ordered to...". FLOYD stated they were saying he needed to talk to someone but FLOYD kept saying he was not interested in speaking to anyone unless it was through the proper channels of a congressional committee. FLOYD stated he did not recall them ever stating their names, or any introduction of themselves. FLOYD stated using his key fob, he accessed his secured building and turned to shut the door behind him but one of the men grabbed the door to prevent it from being shut. With his daughter still in his arms, FLOYD ran up the stairs to get away from the unknown men. According to FLOYD, while he was running up the stairs, he felt something heavy as if someone was grabbing his feet or pulling him backwards. FLOYD said he felt like he was falling backwards. He was concerned about dropping his daughter, so he leaned forward and continued up the stairs until he was able to make it safely into his apartment with his daughter. FLOYD stated when he entered the apartment, he slammed the door to ensure it shut behind him. He set his daughter down and exited the apartment to check the hallway. FLOYD stated the two (2) males were still in the stairwell, one was on the top landing and one was standing on the stairs. According to FLOYD, when he asked the men who they were, if they had a badge, and if he committed a crime they did not answer his questions only that they wanted to speak to him. FLOYD stated he told them to go away. FLOYD stated the thin male on the stairs pushed his jacket aside and revealed he had a gun on his hip but FLOYD stated he never saw a badge.

FLOYD stated at some point the males threw a packet of papers at his door and he refused to look at it. Officers read the Department of Justice paperwork which appeared to be a Grand Jury Subpoena.

FLOYD described the two (2) males as follows:

Male 1 – larger white or Hispanic male in his late thirties/early forties, approximately 5'10" to 6'02", with dark hair, clean shaven, and wearing a blue suit with red tie.

Male 2 – thin white or Hispanic male in his late thirties/early forties, approximately 5'10" to 6'02", with facial hair, glasses,

and wearing a gray suit.

FLOYD stated his mother-in-law, who lives in Adelphi, Maryland, called him earlier today to report two (2) men stopped by her house wanting to speak to FLOYD about working on the Trump campaign. They left their business cards and she sent a photograph to FLOYD.

FLOYD showed the photograph to officers. The names on the cards were Special Agent Christopher Meyer and Special Agent Walter Giardina. The name Special Agent Christopher Meyer also appeared within the packet of paperwork.

FLOYD was advised he wanted this incident document because he did not feel the males (possible FBI Special Agents) conducted themselves appropriately. FLOYD was advised that a report would be written and was provided the case number.

Incident Narrative

Supplemental Reporting PO3 PARIS CAPALUPO - MCPD, ID # 2086 2 02/24/2023 13:10

This case is closed by arrest.

On February 23, 2023, between 1100 hrs and 1130 hrs, Federal Bureau of Investigation (FBI) Special Agents (SA) Christopher Meyer and Walter Giardina attempted to serve a federal Grand Jury subpoena to Harrison FLOYD, at [REDACTED] Rockville, Montgomery County Maryland. During the service of the subpoena, SA Giardina was assaulted by FLOYD.

The affiant interviewed SA Giardina at the FBI Rockville Office. SA Giardina provided the following information: SA Giardina advised he was wearing an audio recording device which captured the audio portion of the incident. The affiant listened to relevant portions of the recorded audio which corroborated SA Giardina's account. The two agents were dressed in business suits and carrying their FBI issued credentials, badge, and gun.

SA Meyer and SA Giardina arrived outside of FLOYD's apartment building located at [REDACTED] Rockville, Maryland, to serve a federal Grand Jury subpoena to FLOYD. The agents attempted to locate FLOYD at a different address earlier in the day but were unsuccessful. The agents were told by relatives of FLOYD that he currently resides with his family at the [REDACTED] address.

The agents utilized the outside front door intercom to locate FLOYD's name and call FLOYD. FLOYD answered the call and SA Meyer identified himself as a Special Agent with the FBI and stated they needed to speak with him. FLOYD advised he was not home and was busy.

The agents waited outside of the building and shortly thereafter, observed FLOYD walking to the front door of the apartment building with his daughter. The agents followed FLOYD into the building and stated they have a federal Grand Jury subpoena to serve him. FLOYD ignored the two agents and walked up the stairwell. The agents followed behind FLOYD, again stating they have a federal Grand Jury subpoena to serve him. SA Giardina reads aloud some of the subpoena information to FLOYD. FLOYD yells at the agents to "use the proper congressional committee," and states "you haven't shown me a fucking badge, you haven't shown me shit." SA Giardina replies, "here's my credentials."

FLOYD continues to walk up the stairwell to his floor, opens his apartment door and slams it shut. The agents attempt to toss the subpoena inside of the apartment, but it gets stuck halfway in the door. The agents take photographs of the subpoena stuck inside the door and start to walk down the stairs to exit the building.

After walking down a half of flight of stairs, the agents hear FLOYD throw open the stairwell door and yell "fuck you." FLOYD rushed down the stairs toward the agents as they walk away. SA Giardina can be heard saying "get ready" to warn SA Meyer of FLOYD's aggressive approach. The agents can be heard loudly yelling at FLOYD to "get back." SA Giardina advised FLOYD aggressively rushed down the stairs and knocked into him with his chest. FLOYD uses his chest to push SA Giardina, who has turned to face FLOYD. FLOYD pressed his nose against SA Giardina's nose and screamed and cursed at the agents. SA Giardina advised FLOYD's spit sprayed on his face and into his mouth. Utilizing his finger, FLOYD jabbed and poked SA Giardina in his cheek and face several times. The agents order FLOYD to back up, but FLOYD does not follow any commands. The agents back down the stairs and exit the building.

The affiant applied for and received an arrest warrant for second degree assault.

At approximately 2200 hrs, the affiant, FBI SA Dennis McGrail and three officers from Rockville City Police Department

CODE MCPD Incident Report - 230009074

Date: 05/19/2023 20:22

Page: 6 of 6

arrested FLOYD without incident in the hallway of his apartment building. The affiant transported FLOYD to CPU for processing.
